«PeakTech® P TK-100» Oscilloscope probe, 100 MHz, 10:1/1:1

€28.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P TK-100

GTIN/EAN: 4250569400018

Description

Universally applicable oscilloscope probe for every commercially available oscilloscope. There is a crocodile clip on the side of the probe as a ground connection. The outer BNC connector is made of metal and therefore has ground contact. The tip of this probe has a metal contact for connection to the test voltage, the probe is also supplied with a cable clamp to create a permanent connection with the pin or cable to be measured. This probe convinces with good workmanship, extensive accessories and a good price / performance ratio.

Technical features

- High quality probe with BNC connector
- Universally applicable for all oscilloscopes
- Predamping switchable 1: 1 or 1:10
- Extensive probe accessories included

Specifications

Attenuation:	1:1, 10:1
Bandwidth:	100 MHz
