«PeakTech® P 3290» Inductance decade, 10 µH to 111.1 mH

€79.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 3290

GTIN/EAN: 4250569402227

Description

Laboratory decade with slide switch for production testing, teaching aids, research and development. You can set all values between 10 µH to 111.1 mH with high precision in 10 µH steps to get the desired value quickly and user-friendly. The plastic housing ensures a clear arrangement of the rotary switches, whereby the test leads are connected via 4mm safety sockets.

Technical features

- High accuracy
- 10 µH resolution
- Plastic housing guarantees perfect shielding
- 4 mm safety sockets
- Accessories: manual

Specifications

Control elements: Slide switch

Decade type: Inductance
