GTIN/EAN: 4250569401718

Description

This practical "fast access" case allows a safe storage and quick access to your measuring devices and the appropriate accessories. The model bag 5 has a woven surface made of sturdy fabric, a zipper and a strap. Furthermore, this carrying case is padded from the inside to ensure maximum impact and impact resistance.

Technical features

- Practical carrying case for measuring devices
- Made of firm fabric material with thick padding
- Zipper for safe transportation
- Hand strap for protection against falling damage
