

«PeakTech® P 4123 A» Converter for low voltage light sources, 12V AC/AC

€9.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 4123 A

GTIN/EAN: 4250569406003

Description

This AC / AC voltage converter is particularly suitable for use with halogen indoor lights and other low-voltage light sources that require an AC voltage source for supply. There is a safe galvanic separation between mains and low voltage according to the isolating transformer standard EN-61558-2-6. This pre-assembled AC / AC converter is equipped with an overtemperature switch that cannot be reset.

Technical features

- With 1,8 meter cable and low voltage plug
- Plug outer diameter: 5,5 mm/inner diameter: 2,1 mm
- Safety Transformer: Thermal Overload Protection
- Safety: EN 62368-1, EN 61558-2-6
