«PeakTech® P 9034» Energy meter 0.1 W with rotating display

€12.50

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 9034

GTIN/EAN: 4250569407772

Description

The P 9034 energy cost meter for the socket measures precisely the power in watts, mains voltage, consumption in kWh and electricity costs in euros. The display, which can be rotated 180°, ensures that you can always read the values easily, regardless of whether the device is plugged in horizontally or vertically. Keep an eye on your energy consumption and save costs with the user-friendly P 9034. Thanks to its excellent price-performance ratio, it is the ideal choice for cost-conscious consumers.

Technical features

- For measuring V, W, kWh and costs in €
- Display can be rotated by 180°
- Large 2’ LCD display
- Safety: GS-approved, EN 61010-1, CAT III
- Accessories: operating instructions
