€41.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 7310

GTIN/EAN: 4250569403286

Description

In the lockable universal carrying case you can safely store your sensitive electronic devices while traveling and on the way to work. In order to adapt these sturdy cases universally to the respective equipment, each case is padded with a 1 cm thick foam insert and additionally designed with two 3 cm thick, removable cubic foam inserts, which can be easily adjusted without additional tools. Due to the double notch in the closing edge, these high-quality case offer a high level of safety against the ingress of dust or splash water and are therefore the ideal companion for daily work in the field.

Technical features

- Integrated lock
- Stable carrying case for all kinds of work
- Including cube foam for easy adjustment of the desired shape
- Changeable cube foam available separately
