«PeakTech® P 7020» Test Leads for Digital Multimeter

€6.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 7020

GTIN/EAN: 4250569402616

Description

This measuring accessorie with 4 mm sockets can be connected to almost all measuring devices and power supplies. A maximum of safety is achieved by the double insulation of the wires and the protection against accidental contact with conductive metal parts when closed. This makes these accessories ideal for use in training and service.

Technical features

- Safety according to IEC / EN 61010-031:2008
- Overload category CAT III 1000 V
- Double insulation of the wires
- Contact protection of the conductive metal parts in closed state

Specifications

Cable Length:	ca. 120cm
Contains:	Connection cable
Double isolated:	■
Input connector:	4 mm plug
