«PeakTech® P 7737» microfuse ~ 10 A / 600 V ~ 5 x 20 mm ~ fast-acting (F)

€2.19

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 7737

GTIN/EAN: 4250569403774

Description

Modern device fuses with ceramic bodies offer a significantly higher level of protection against damage to the measuring device when triggered than conventional glass fuses. Triggered fuses may only be replaced with replacement fuses of the same design and specifications in order to guarantee the safety of the device and thus also the safety of the user in future measurements. This ceramic fuse with the dimensions 5 x 20 mm offers a dielectric strength of up to 600 V.

Technical features

Specifications

Construction:	5x20 mm
Nominal current (A):	10 A
Nominal voltage (V):	600 V
Package unit:	10 Stk.
