«PeakTech® P 2802» Laser distance meter up to 80 meters

€73.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 2802

GTIN/EAN: 4250569403484

Description

This professional laser distance measuring device with multi-line LCD display, which has a backlight, was specially designed for high-precision distance measurements. The selection buttons for the functions of addition, subtraction, Pythagoras, area and volume calculation enable fast and reliable measurements. Up to 99 measured values ⌧can be recorded in the internal memory so that the measured values ⌧can be called up at a later time.

Technical features

- Distance measurements up to 80 m
- Indirect measurement (Pythagoras)
- Surface and volume calculation
- Addition and subtraction function
- Continuous, MIN and MAX measurements
- Accessories: batteries, bag and manual
