«PeakTech® P 2801» Laser distance meter up to 60 meters

€59.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 2801

GTIN/EAN: 4250569403477

Description

This professional laser distance measuring device with multi-line LCD display, which has a backlight, was specially designed for high-precision distance measurements. The selection buttons for the functions of addition, subtraction, Pythagoras, area and volume calculation enable fast and reliable measurements. Up to 99 measured values can be recorded in the internal memory so that the measured values can be called up at a later time.

Technical features

- Distance measurements up to 60 m
- Indirect measurement (Pythagoras)
- Surface and volume calculation
- Addition and subtraction function
- Continuous, MIN and MAX measurements
- Accessories: batteries, bag and manual
