«PeakTech® P 7010» Tapping clamps for Digital Multimeter; 5 A

€7.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 7010

GTIN/EAN: 4250569402593

Description

This measuring accessory with 4 mm sockets can be connected to almost all measuring devices and power supplies. Thanks to the fine alligator clips, even measurements on small components or at hard-to-reach points on circuits are possible. A maximum of security is achieved by the double insulation of the wires and the protection against accidental contact with conductive metal parts when closed. This makes these accessories ideal for use in training and service.

Technical features

- Safety according to IEC / EN 61010-031:2008
- Overload category CAT III 1000 V
- Double insulation of the wires
- Contact protection of the conductive metal parts in closed state

Specifications

Contains:	Tapping clamp
Double isolated:	■

PeakTech Prüf- und Messtechnik GmbH
